

# Affordable Lab Tests

## A simple, affordable way to start taking charge of your health.

Tahoe Forest Health System offers a variety of discounted lab tests for cash paying or under and uninsured patients at two convenient locations in Truckee, California, and Incline Village, Nevada. A doctor's order or an appointment is not needed. **Please be aware that wait times vary and can be up to one hour.** Payment is collected at the time of service. This program is not billable through insurance.
